

WHITE MOSS
Professional Horticultural Products

Speciality Soils

Quality products are essential to ensure any landscaping project gets off to the right start. White Moss offer a comprehensive range of Soils, Barks and Growing Media to fit every landscaping need.

Economy Ground Cover

White Moss Horticulture's Economy Ground Cover is an alternative to Decorative Bark which offers similar properties whilst being fully recycled and sustainable. This cost effective mulch helps with weed control, moisture retention and soil erosion. It can be used on its own or as a base layer before topping off with Decorative Bark which offers the same benefits with a larger particle size.

Specification:

pH Value	6.5 to 8.0
Bulk Density	200 – 400 grams per litre
Particle Size	10-50mm
Moisture Content	30-50%

Other Properties:

- Produced to PAS100 and CQP
- Safe to use
- Sustainable
- Consistent
- Available in Loose Bulk, Bulk Bags
- Ex-Works or Delivered Prices

Safety Precautions:

- Use in a well ventilated area
- Avoid breathing in dust particles
- Always wear gardening gloves and wash hands after use
